- ✓ Are you LGBTQ (queer) or a straight ally?
- ✓ Are you tired of racism in the queer community?

If YES, then we want you to join us for a mini-summit where we will discuss: the experience of being LGBTQ and a person of color; resources available for LGBTQ students of color; and strategies for challenging racism in the queer community. The summit will take place on Saturday, Nov. 17<sup>th</sup> at Briarpatch (1955 Atwood Ave, Madison) from 10AM to 4PM. There is no cost for this summit, and lunch will be provided.
