

**Wisconsin Timeline Summary Chart** Name(s) \_\_\_\_\_ Date \_\_\_\_\_

**Directions:** After the class has tallied the items in the timeline, summarize the results on this chart. Then discuss what you see. **NOTE:** Numbers won't add up across the chart because some items fall into multiple categories.

| Decade    | Total Items | G<br>Government |   | I<br>Individual |   | MM<br>Mainstream<br>+ Media - |   | O<br>Organization<br>+ (LGBTQ) - |   | Pg<br>Publications<br>+ LGBTQ - |   | S<br>Social<br>+ Activities - |   | E<br>Other Events |   |
|-----------|-------------|-----------------|---|-----------------|---|-------------------------------|---|----------------------------------|---|---------------------------------|---|-------------------------------|---|-------------------|---|
|           |             | +               | - | +               | - | +                             | - | +                                | - | +                               | - | +                             | - | +                 | - |
| 1890-1899 |             |                 |   |                 |   |                               |   |                                  |   |                                 |   |                               |   |                   |   |
| 1900-1909 |             |                 |   |                 |   |                               |   |                                  |   |                                 |   |                               |   |                   |   |
| 1910-1919 |             |                 |   |                 |   |                               |   |                                  |   |                                 |   |                               |   |                   |   |
| 1920-1929 |             |                 |   |                 |   |                               |   |                                  |   |                                 |   |                               |   |                   |   |
| 1930-1939 |             |                 |   |                 |   |                               |   |                                  |   |                                 |   |                               |   |                   |   |
| 1940-1949 |             |                 |   |                 |   |                               |   |                                  |   |                                 |   |                               |   |                   |   |
| 1950-1959 |             |                 |   |                 |   |                               |   |                                  |   |                                 |   |                               |   |                   |   |
| 1960-1969 |             |                 |   |                 |   |                               |   |                                  |   |                                 |   |                               |   |                   |   |
| 1970-1979 |             |                 |   |                 |   |                               |   |                                  |   |                                 |   |                               |   |                   |   |
| 1980-1989 |             |                 |   |                 |   |                               |   |                                  |   |                                 |   |                               |   |                   |   |
| 1990-1999 |             |                 |   |                 |   |                               |   |                                  |   |                                 |   |                               |   |                   |   |
| 2000-2009 |             |                 |   |                 |   |                               |   |                                  |   |                                 |   |                               |   |                   |   |

Please note that the segment from 2000-2009 is not yet complete and for that reason has less reported than from 1990-1999.
